

# Course Facilitator Reflection Log\_Lvl\_Su10

TeacherLine course facilitators are one of the most valuable sources of information about the quality of the course curriculum and effectiveness of facilitator training and support. This reflection log is a detailed feedback form completed by each TeacherLine course facilitator to provide reflective feedback on their experience facilitating a course, and to identify areas of needed professional development. The purpose of the self-review is to help you pinpoint your strengths and weaknesses as a facilitator. If you have comments to accompany any of the opinion statements below, please include them with your summative statements at the end of the document. Your responses will be kept confidential but not anonymous. If you have any questions or concerns about this log, please contact Barb Storandt at [barb@altasolutionsgroup.com](mailto:barb@altasolutionsgroup.com) or 802-497-0556.
